

Clinical Practice/Advocacy Award

The CLAE is pleased to announce the call for the 2017 Clinical Practice/Advocacy Award.

The Clinical Practice/Advocacy Award honours a CLAE member in recognition for her/his excellency in clinical practice and/or engagement in representing and supporting patients with epilepsy. Both the nominee and the nominator must be CLAE members in good standing.

The following will be considered when evaluating the nominees:

- Previous awards/honors
- Clinical activities/public health/hospital and patient's committees
- Contribution and participation to associations of physicians and other health professionals
- Contribution and participation to educational resources
- Contribution to disseminate knowledge about epilepsy
- Contribution to improve care for patients with epilepsy
- Standing up for epilepsy, and advocate for patients with epileptic disorders
- Nomination letter

Submission deadline for nomination is Monday September 18, 2017.

Nomination package must include:

1. A letter of recommendation (maximum 2 pages) outlining why the nominee is deserving of this award.
2. Nominee's *curriculum vitae* (CV)
3. Nomination form
