MESSAGE FROM THE PRESIDENT

Dear Industry Partners,

On behalf of the Canadian League Against Epilepsy (CLAE) and the CLAE Scientific Planning Committee, we invite you to join us to celebrate the CLAE 40th anniversary meeting in beautiful Vancouver from October 13 - 15, 2017.

The CLAE Scientific Meeting is the premiere meeting of professionals with an interest in epilepsy. These include neurologists, neurosurgeons, psychologists, nurses, EEG technologists, neurophysiologists, electroencephalographers as well as residents and students in training. This meeting provides a unique opportunity for the industry to network, collaborate and partner with all these professionals in one place and under one roof. All our meetings in the past have had a strong industry presence and I invite you to be a part of this dynamic group.

I hope that your company will seriously consider supporting and sponsoring this conference and showing your ongoing support for epilepsy care in Canada.

We look forward to seeing you in Vancouver!

Sincerely,

A handwritten signature in black ink, appearing to read "Jorge Burneo". The signature is stylized and cursive.
